

Until the breaking of the day

Introduction

- Until the breaking of the day is a written photograph of the life of persons whose life have had a divine interruption.
- A realization God often hides his face although he is looking at you right in yours
- The redefining, reinventing of one's natural and spiritual self, an antidote how not to be defined by people, places, and things.
- Illustrations of God's measuring concept's, humility, prayer, supplication, intercession, praise, thankfulness, acknowledgment of the ancient of days, and how to observe him in things, places, and spaces.
- How to allow enough time and place to seek to know his purpose in your life, and not just a drive by prayer, but an actual pursuit of him who created you.
- Illustrations how to get God to touch your life, add dimensions, and expand your horizons, relationships, goals, challenges, and make your inner most prayer request a reality in the world you are in.
- How to receive divine change in the face of your enemies, there convictions and plans that seem in direct opposition of God's will, and yet, how he intertwines them in his purpose
- Instructions on the benefits of rising daily with the Sun, Son shinning upon your life as you walk
- Guidance specifically identifying ways God transforms character, give distinction, and brand lives by shinning on them as they walk in the place of purpose
- Examples of how God chooses whatever he likes to bring about new beginnings, change, or specifically his purposes for example,

Deception, lies, manipulation
absconding from home, work, people, places

Fear, distress, threats of death
heritage, inheritance

Amphibious spiritual warfare
Praise, thanksgiving
Prophecy

prayer, intercession, heart break
Acknowledgement of divine providence
unfamiliar paths leading to life's full circle

Life, death, transformation
Forgiveness, blessing honor

Old name, New Name
Nobility, integrity,

Establishing your name
debt cancellation, similarity, familiarity

restoration, renewal, reconciliation
time Seasons, love, hate, war, peace

These are actual methods used to intertwine, bend, mold, break, mend, heal, restore, supersede one's normal life into his purpose to bring about magnificence, fulfillment, completion, wealth, happiness, and a whole slew of wonders in your life.
